

## Mission Statement

To bring together those people interested in the history of the greater Herscher area, to discover and collect material which may help establish or illustrate the history of the area and to provide for the preservation of such material and to disseminate historical information and arouse interest in the past to all surrounding communities.

We count on support from all the County West families to ensure the history of our great communities will be captured and remembered by future generations. Please consider a donation to the Herscher Area Historical Society. Any gift you can send today will help. **We are proud of our communities and want to ensure they are remembered for generations to come.**
